GOOD NEWS STORY

At a recent community day, two young people from the JTYouGotThis Mount Isa program chose to resolve an ongoing conflict together.

During the program, they learnt to replace "fiery thoughts" with "cool thoughts" in conflict situations.

This was a great example of not letting emotions control the moment. JTA team members Tali and Maddy could not be prouder of these young men for their confidence and courage in resolving the conflict.

QUOTE OF THE MONTH

The nice thing about teamwork is that you always have others on your side.

YARNS WITH THE CAIRNS TEAM

The Cairns team is heading into its third program for 2024. Program two was a success with four young people looking to re-engage in education. Lead Program Facilitator Uleta Miller completed her first program with the Cairns team, and with the support of Chanten, this third program is shaping up to be an exciting one.

The team has reflected on past programs and identified areas for improvement.

Moving forward, the primary focus is on achieving better outcomes and learning goals for the young people, aligned with the JTA values .
